SOME POINTS TO CONSIDER.

Alaska Airlines has over 130 flights a day to, from and within California. That includes convenient schedules to five airports in the L.A. area; and three in the Bay Area—plus San Diego and Palm Springs. All from an airline that still takes personal service very personally. Next trip, call your travel agent or Alaska Airlines at 1-800-426-0333. We'll make a point of taking good care of you.
